### Overview

I was booked to perform close-up magic in a mix and mingle style, breaking the ice and entertaining guests after the wedding breakfast, whilst they waited for the evening reception to begin and then also during the evening party/reception.

My first role was to comfortably introduce myself to everyone as they weren't expecting to see a magician. After introducing myself, I performed close-up magic and got everyone clapping, laughing and most of all entertained throughout the evening. One of the highlights was guessing the bridesmaid's phone password!

## The Timings...

These often go out of the window, so in order to be as flexible as possible, Revilo recommends booking for two parts of the day rather than for set timings.

## The Magic...

Revilo has a large repertoire of magic involving sleight of hand, card tricks, mind-reading, iPhone magic, classical magic and so much more. He will decide what magic to perform based on his audience.

**Revilo Twist Magic absolutely wowed our wedding guests last month. So pleased that we hired him. He was even better than we imagined and is also charming and personable with it. Great communication beforehand too which goes a long way in my view. Would highly recommend for any event, he is just brilliant at what he does. Thank you. You were a huge part of our day and went down a storm with everyone young and older! x**

## After The Wedding

Mr & Mrs Garrard came to watch another magic show! They're still in touch with Revilo and always have a good time reminiscing about music and their wedding memories and guests are still talking about the magic years after!

## What was the feedback?

- Unforgettable Experience - Guests were kept entertained and the bride said they are still talking about the magic a year later!
- Inclusive Engagement - Revilo ensured no one felt left out, captivating every guest and breaking the ice for those who didn't know each other.
- Professional Communication - Revilo had clear and timely communication, to ensure a stress-free experience for everyone.
